Today's Gospel:
Andrew found his brother
Simon and brought him
to Jesus. (*John 1:35-42*)

A NOTE FROM THE PASTOR

Dear Friends in Christ,

With the Christmas Season now concluded we have returned to the Season of Ordinary Time. Ordinary Time are those weeks of the year that are numbered and occur between the other major seasons of the liturgical year. The color for Ordinary Time is green which represents growth for us.

I will be taking some time away from the parish to return to Arizona for a few days; and then I will be directing a retreat for our candidates for priestly formation. I look forward to seeing all of you when I return.

Peace and blessings,
Reverend William Dillard

WE ARE LISTENING

In today's first reading God keeps calling out in the night to a sleeping boy. Neither the boy, Samuel, nor his teacher, Eli, understands who is calling. But God's persistence convinces them. Samuel is then ready - not ready yet to do anything, but ready to listen. "Speak, for your servant is listening" (1 Samuel 3:10). In the Gospel Jesus is out teaching. Various people notice him and begin to gather around. They soon become disciples and, like the young Samuel, are ready - not ready yet to do anything, but ready to listen. "Speak," they say, "we are listening." God's voice is always with us, awake or asleep. Awareness of the voice comes first; then willingness to listen; then, in time, the decision to act, to live according to God's word. Let's ask today for the ability to keep our ears open so we don't miss God's voice.

SUPPORT THE MISSION OF ST. VINCENT SCHOOL

Help us to ensure that SVS remains both affordable and accessible, while providing every student with the highest quality Catholic elementary school program possible. Our **2011 Annual Fund Appeal will be ending on January 31, 2012** and your support is vital. We need your participation in the philanthropic life of our school. In the life of a school, every generation has its challenges and opportunities. We are the benefactors of an extraordinary legacy of students, families, and donors. It will be this generosity that affords our children the opportunity to grow, to thrive and to experience the full measure of a quality St. Vincent School education. The opportunity belongs to our generation to "pay forward" what 60 years of founders, parents, faculty, alumni, grandparents and friends have done so well before us.

Remember it's not the amount of your gift but your participation that speaks volumes. Together we can continue to make St. Vincent School an extraordinary learning institution. **Please show your support for SVS by making a gift to the Annual Fund Appeal.** Questions? Please call Sr. Kathleen, Principal at 619.296.2222 or Patty Schick, Director of School Development 619.299.7086 or visit www.stvincentscatholic.org.

TREASURES FROM OUR TRADITION

Every year, close to the feast of the Conversion of St. Paul on January 25, and before the feast of the Chair of St. Peter on February 22, the cause of Church unity is commended to Christians everywhere. Sadly, Protestants, Orthodox, and Catholics have settled to a status quo of separation. When baptized people become Catholic, we speak of them as being received into "full communion." That means we already share a communion in faith in many ways, including the Word of God. Many Protestant denominations have received and revised the three-year cycle of readings first arranged by Catholics in the early 1970s. Therefore, many of your neighbors who are not Catholic are celebrating and reflecting on the same readings we are savoring on most Sundays of the year. This makes for a new spirit of cooperation among preachers of the gospel, and gives hope that the cause of reunion, desired by Christ, has great vitality at the table of God's Word, and will one day lead to unity at the table of the Lord's Body and Blood.

PRINCIPAL'S CORNER

School resumed on Monday, January 2nd. There was the usual excitement as friends greeted friends. Our big joy was when our students found their new **Promethean boards** which were installed over Christmas break. The teachers taught their first classes with their new tool and the students responded with engagement and excitement. The teachers did a day's in-service this past Saturday with a professional Promethean board trainer from whom they learned new skills to improve instruction and assessment.

We are currently taking applications for the 2012-2013 school year. We will be accepting students into kindergarten through seventh grade. We already have had the orientation meeting for perspective kindergarten students. Please call the school office for more information.

The kick off to **Catholic Schools Week** will take place with the Family Mass on January 29th. We will have an **Open House** event that day from 10:00am till 12:00pm. We will have another **Open House** event on Wednesday, February 1st from 9:00 till 11:00am. I would like to take this opportunity to invite you to stop by to meet the teachers and students and observe instruction with the Promethean boards.

I thank you for supporting our school and we remember your intentions in our daily prayers.
